FOR HAYDEN OUTDOORS AGENTS

BPetersonDesign is a proud partner of Hayden Outdoors. We work closely with their agents to deliver the highest quality product. Our work flow is as follows:

- 1.) Choose the services you want completed.
- 2.) Work with BPD to set-up a date to start shooting.
- 3.) Send over the property description ASAP to janae@bpetersondesign.com. After we receive this, we will then write the script for your video, and send it over to the Hayden Outdoors approved voice-over guy. This third party will charge you \$50 for this service.
- 4.) After we capture all the footage we need, we will start editing using the Hayden Outdoors Intro/Closing templates and required branding. After we receive the Voice Over Recording, we can finish the video.
- 5.) When video is finished, we will email both Dan Brunk and the agent an Unlisted YouTube Video URL for approval.
- 6.) Once video is approved, we will invoice Hayden Outdoors directly. Hayden Outdoors will then be the ones to charge you directly.
